Welcome meeting and bike adjustments in Auxerre around a glass of wine. If you arrive earlier, we recommend a walk through Auxerre, city of Art and History that has conserved an exceptional architectural heritage. Its cathedral, a model of gothic elegance, the St Germain Abbey, a nearly intact monastic complex with crypts dating back to the 9th Century containing one of the oldest mural paintings discovered in France, not to mention a charming city centre with great boutiques.

Day 2 Auxerre - Chablis 38 km

You begin your cycle through the fields and will stop in Pontigny where you discover the Cistercian Abbey, the largest and one of the most beautiful Cistercian churches remaining in France.

Day 4 Departure

Your leisure bike trip is over. It is time to say goodbye to this beautiful area of France.
