25.04 - 10.10.2026

Day 1 Arrival in Passau

Come with your family for your cycling holiday along the Danube cycle path. Check-in, hand over your travel documents and you will receive your rental bikes in our bike center. Enjoy a walk through the beautiful old town of Passau. The ships at the pier delight both adults and children.

Day 2 Passau – Niederranna 15 km + Passau-Kasten boat trip

After breakfast, enjoy the boat trip from Passau to Kasten, where your bike tour begins. After a few kilometers you will see the mermaid Isa. We also recommend a visit to the water adventure world „Haus am Strom“ in Engelhartzell.

Day 3 Niederranna–Obermühl 20 km

You will soon reach the world-famous „Schlögenger Schlinge“, where the Danube made its way through the hard granite rock in an S-shaped loop thousands of years ago. Castles and ruins line the wooded hills and characterize the landscape. Family tip: Hike to the viewpoint of the „Schlögenger Schlinge“.

Day 4 Obermühl–Aschach 20 km

As soon as you leave the Upper Danube Valley behind you, the fertile Eferding Basin spreads out in front of you. Vegetable and fruit-growing areas are lined up along the bike path, and we recommend you try the savory „cucumber“ or delicious asparagus specialties. Family tip: The Schauberg ruins revive the knightly era.

Day 5 Aschach–Linz 20 km + train journey Ottensheim–Linz

Cycle comfortably on the south side of the Danube cycle path to the power plant in Ottensheim, where you switch to the other side of the river. From Ottensheim take the train to Linz. Family tip: Visit the fairytale world on the Pöstlingberg in Linz.
