BICYCLE HOLIDAYS RALLY LAKE MAGGIORE | CLASSIC

Palm trees line the lake promenade, couples in love stroll through the Piazza Grande and Lake Maggiore sparkles seductively in the sun: when you're in Ticino, you could almost forget that you're still on Swiss soil. The Maggia Delta is the area for cycling tours on this rally and so the paths lead to one of the longest Swiss mountain valleys and to the medieval cantonal capital Bellinzona. The southernmost Swiss canton shows its most beautiful sides on all tours; sometimes dreamy and playful on Lake Maggiore, sometimes rough and defiant in the Maggia Valley. But no matter how you experience it, Ticino will enchant you on this rally!

Day 1 Arrival in Losone

Individual arrival to Losone. Check-in, bicycle collection and handover of travel documents.

Day 2 Rundtour Bellinzona 56 km

You start from the hotel towards Locarno. Here along the beach promenade to the Magadino plain. The paths lead past small forests and large agricultural areas to the capital of the canton of Ticino: Bellinzona. In this city there are many castles, hidden places and the old city wall waiting to be discovered. After a short break we go past dreamy towns back to Losone.

Day 3 Ascona (Loop) , excursion to the Brissago Islands 23 km

Today's journey of discovery takes you first to the center of Ascona. This is where you set off your bikes and take the ferry to the Brissago Islands. Over 1,700 species of plants bloom here in a botanical garden. Back on land, the tour takes you away from the lively city center along small side streets towards the Centovalli. Before the valley begins, you drive over a short climb up to sleepy Ticino villages before making your way back to Losone.

Day 4 Trip to the Maggia Valley 20 km

The Maggia makes its way through the Alps for over 50 kilometers until it finally flows into Lake Maggiore. We pass the wonderful waterfall near Monte Brolla, deep into this idyllic valley. The destination of today's stage is the small town of Maggia with the church of Santa Maria delle Grazie, which impresses with its frescoes.

Day 5 Trip to Lugano 19 km

By bike to Locarno. From here you take the train to Melide. Lake Lugano is in no way inferior to Maggiore. Italian dolce vita, colorful villages with typical stone church towers and even palm trees can be discovered here. A wonderful tour in this area concludes your cycling week.
