Day 1 Arrival in Rothenburg

The picture book town of Rothenburg starts off your cycling holiday. Rothenburg entices visitors from all over the world, being the epitome of German romance. Discover the picturesque buildings of the medieval old town, which is surrounded by two walls. A visit to the St. Jakobs-Church is a must, where the famous altar of the wooden sculptor Tilman Riemenschneider can be found.

Day 2 Rothenburg – Dinkelsbühl 65 km

The first destination of your cyclig tour is the town of Schillingsfürst, whose baroque castle complex can be seen from afar, as it rises above the city. Before you reach the town, there is a small ascent to be overcome, as it lies on a mountain spur. Your stage destination is Dinkelsbühl in the Würnitz valley. The city centre is rimmed with colourful town houses. Enjoy the Franco-nian delicacies in one of the traditional inns.

Day 3 Dinkelsbühl – Nördlingen 40 km

Today you cycle into an area of high geological interest, the Nördlinger Ries. Stage destination is the former free empire city of Nördlingen, which has the only completely preserved and passable city wall in Germany. One can enjoy a unique view from „Daniel“, the 90 m high bell tower of the St. Georg Hall church. Another feature of urban development is the Gerberviertel (tanner quarter), which is almost preserved in its original state. Those interested in geology should pay a visit to the Rieskrater-Museum.

Day 4 Nördlingen – Donauwörth 40 km

You pass Harburg, whose castle is enthroned high above the valley. You continue on to Donauwörth, which lies at where the Würnitz mouths into the Danube. The centrepiece of the city is the magnificent Reichsstraße. The cathedral and the Café Engel are just some of the stately town houses here. Another feature is the Käthe-Kruse-Doll-Museum.

Day 5 Departure

Journey home or additional nights. After breakfast, you can travel home on your own – or you can extend your stay in Donauwörth.
